

2017-2018 Capital Campaign August 21 - September 8

The PTO has embraced the concept of capital campaign since 2012. We have found it to be more successful to ask for direct donations where the school receives 100% of the profit. Our goal this year for the Capital Campaign is to increase participation. Although Capital Campaign is about a donation to the school and not what you receive, we would like to make the prices a little more manageable so that families with multiple children feel that they can participate as well. If every child donates \$37.50 then we will reach our goal of \$30,000. We know not everyone can participate at the same level, therefore we hope those who are able will give way beyond the cost of a t-shirt. **Please consider giving a generous donation to help the PTO support Richland.**

Since we know Richland Redhawks Rock, we are planning several fun opportunities for the kids to get involved during the campaign. There will be weekly opportunities for the kids to hit small fundraising goals to earn a fun gift. **ALSO** we are already planning an 80s party for the students on September 15 for when/if we hit our fundraising goal of \$30,000.
