

# GYMNASTICS CLASSES at RICHLAND ELEMENTARY

Up-off Gymnastics will return to Richland Elementary for the 2017-2018 school year to teach the exciting sport of gymnastics. Instructors come to the school to teach basic to intermediate levels of gymnastics. Students will develop skills on the tumbling mat, high and low balance beam and uneven parallel bars. Classes incorporate 6-10 students per instructor for children ages 4-12 in beginning to intermediate levels of gymnastics.

Our instructors teach correct terminology to develop self-esteem and use positive reinforcement in order to encourage everyone to try their very best and achieve their individual potential. For further information please call Nicola @ 452-1939
