

# Spanish FLEX After-School Classes

## What is a FLEX language class?

Foreign Language EXploratory – this model teaches basic communication, provides a foundation for future language study, and develops cultural awareness. The goal of this class is to be exposed to the sounds and culture of the Spanish language, while learning to communicate basic information about oneself in the target language. We will employ music, games and art projects as we learn Spanish this year!

About me: I am a certified Spanish teacher with 7 years of teaching experience in both public and private school settings, from ages 2 through 8<sup>th</sup> grade.
